

80 Years Since the End of World War II — Never Forget the Anti-Fascist Battlefield in Asia! Never Forget the Chinese People's War of Resistance Against Japanese Aggression!

1931-1945: Japanese Imperialism Invaded the Korean Peninsula, Occupied Manchuria, Attacked Northern and Southern China! The Chinese People and Military Never Surrendered They Fiercely Resisted Japanese Fascist Aggression!

The Japanese Invaders Committed the Nanjing Massacre, Human Experiments by Unit 731, Used Chemical and Biological Weapons, and Carried Out Mass Atrocities Through the „Three Alls“ Policy (Kill All, Burn All, Loot All)! Countless Chinese Women and Children Were Brutally Murdered! Sexual Violence by Japanese Soldiers Was Widespread!

The Chinese National Revolutionary Army, Kuomintang, Communist Party, All Chinese Political Forces and Armies United in Resistance Heroic, Unyielding, and Defiant Against Fascist Japan!

During the War, China Gained Support from Many Nations — United States, Soviet Union, United Kingdom, Australia, Netherlands, France, Czechoslovakia, Philippines, India, and More! Anti-Fascist Alliance Fought Together Against Fascist Axis Powers Led by Japan and Nazi Germany!

The Chinese People Endured Immense Suffering Over 20 Million Lives Lost, Countless More were killed, and ultimately triumphed! New Era of Civilization, Peace, Humanity and Prosperity Was Born!

Due to Geopolitical Changes, the Cold War, and Regime Shifts in China, the Nation's Tremendous Contributions to the Anti-Fascist War Have Been Forgotten, and the Profound Suffering of the Chinese People Under Japanese Aggression Overlooked!

Post-War China Faced Poverty and Turmoil, People Struggled, While Japan Flourished Economically and Its Citizens Lived Long, Comfortable Lives. This Is Injustice! Japan's War Crimes Were Never Fully Prosecuted! War Criminals Escaped Justice!

Japan Has Yet to Offer Sincere, Lasting Apologies or Compensation for Its Invasion of China! Militarist and Fascist Elements Persist in Japan Today! The unresolved issues of Japan's forced conscription of laborers from China, Korea, and other Asian countries, as well as the exploitation of „comfort women“ (sex slaves), remain unsettled to this day!

To Forget History Is to Betray It! 80 Years Have Passed! — Chinese People Will Not Forget! The World Must Not Forget Eastern Front of Anti-Fascist War! Never Forget the Victims of the war of aggression!

For Justice and Peace Never Forget!
